Ride back towards the Mount ( hill ) Mauao ( plenty of cafes below the accommodation towers here ) following the road for 350 m flowing left into **Adams Ave** for 280m , past the Hot Pools on your right and the Copenhagen Ice Cream shop on your left.

Left into **The Mall** ( Harbour side ) for 1km which flows -

Left into **Salisbury Ave** then half way along this road on your right ride to the left of the Spongedrop building, straight through Coronation Park which comes out on **Nikau Cres**, ride 170m straight ahead on the shared path on the right hand side of this one way road.

( the only other one of these in New Zealand is in Auckland ) All the more interesting if they are taking a boat in or out by a fork lift arrangement into the waterway while you are there ! The ride / walk path continues past the Nautilus Restaurant a perfect stepping stone to some of Tauranga's Cycle / walk trails Go to [www.bop.org](http://www.bop.org) to view more options. This is especially close to the 9 km loop Waikareao Estuary loop.
